Nadia Lagen, CPA

Director of General Accounting,
Ulta Beauty

“Our experience with the Corporate Access Program has been positive over the last year. It’s given us the opportunity to offer relevant training to a broad group of professionals at our organization.”

Steve Latreille

Vice President, Finance, North America,
Ingredion Incorporated

“My team participated in a training session to learn how we can effectively solve complex problems by leveraging our individual strengths. We found the CAP to be relevant and easy to use with a wide range of valuable resources for industry professionals.”

Paul A. Caponigri, CPA

Chief Financial Officer,
Diversified CPC International

“We have utilized the Corporate Access Program for over three years. We found it to be a great staff motivator by providing a variety of training programs that are available to the employees without having to worry about approvals or costs.”

Christine DeCicco, CPA

Accounting Manager,
Portillo’s Hot Dogs, LLC

“We have engaged with the Corporate Access Program for over three years. It has more than paid for itself. It is beneficial for any company that wants to take advantage of the opportunities offered by ICPAS for all of its team users, both CPAs and non-CPAs.”
