Get up to 4% cash back
Spend $25k/month or $250k/month across all Expensify Cards company-wide in the first three months for 2% and 4% cash back respectively on all purchases. After that, get 1% or 2% monthly cash back on all purchases forever, respectively.

Save 50% on Expensfiy
Get the best business credit card for free—no fees, penalties, or commitments—and use it for at least half of your organization's monthly expenses to save 50% on your monthly Expensify bill

Settle up daily or monthly
Cardholders can spend money that's already in the bank, and all approved expenses are continuously reconciled on the backend

Ensure realtime compliance
All transactions appear instantly in Expensify, and cardholders get notified immediately if they need to scan a receipt or add expense details

Data that's always synchronized with QuickBooks
Card transactions are automatically exported and reconciled to QuickBooks saving you time
