

Smarter AR Starts Here

The tool that turns your firm into a strategic advisor.

About Us

Alternative Payments is a financial technology platform built for Accounting and CAS firms who want to deliver more than compliance work.

We give your firm a single, firm-led AR system that works for you and every client you serve, so you can walk into every client meeting with something valuable to offer.

What We Do

Save Clients Thousands

Flat-fee ACH replaces
costly per transaction
fees

Become Indispensable

Bring clients a solution
they'll thank you for

Build Stronger Relationships

Clients who adopt
Alternative Payments
through your firm stay
longer

Our Integrations

and more

Trusted by Firms Like Yours

*"If I can come back to a client and say I can save
you three thousand dollars a month, I have yet to
hear no."*

Stefani Bruce, General Manager
Foundations Accounting

The best firms don't just manage books, they change outcomes.
Scan to see how Alternative Payments helps you do both.

Smarter AR Starts Here

One AR Standard. Zero Manual Work.

About Us

Alternative Payments is a financial technology platform built for Accounting and CAS firms who want to deliver more than compliance work.

We give your firm a single, firm-led AR system that works for you and every client you serve, so you can walk into every client meeting with something valuable to offer.

What We Do

One AR Standard

One consistent workflow across every client book

Deposits Auto-Created

Payments flow directly into your accounting system

Faster Month-End Close

Fewer past-dues, cleaner books, no manual chasing

Our Integrations

And more

Trusted by Firms Like Yours

"When you have 250 invoices being paid all within the same first five days of the month, that is a super time consuming process. With Alternative Payments, it's basically done for you."

Doreen Gemme, Founder
New Life Development LLC
