

One platform for vendor management, contractor payments, AP automation, and 1099 compliance - built by the Tax1099 team. Starts at \$19.99/month with QuickBooks sync and auto-eFiling.

Unlimited ACH + Check

Send and track every vendor payment from one dashboard.

Auto 1099 Preparation

1099-NEC/MISC forms generated and eFiled as you pay.

2-Way QuickBooks Sync

Live sync of vendors, bills, and payments — QBO and Desktop.

Approvals & Role-Based Access

Custom workflows, audit logs, and bank-grade encryption.

Built for:

Growing SMBs

Pay vendors, sync books, and file 1099s under one subscription.

Accounting Firms

Manage payments for multiple client entities from one login.

Vendor-Heavy Operations

Bulk imports, recurring runs, and real-time TIN matching at scale.

\$19.99

Per month
unlimited ACH and check
payments, built in.

Vendor Compliance

The RegTech suite powering 1M+ businesses and 75M+ verifications every year - from 1099 filing to vendor payments to real-time KYB.

The IRS-authorized eFiling platform for 1099, W-2, 94x, 1042 and 1095 forms. Fast, accurate, and on time - with federal and state delivery, corrections, and recipient mailing built in.

**40+ Tax Forms**

1099-NEC/MISC/K/DIV/INT/R, W-2, 94x, 1042, ACA, 990, 480 and more.

**Federal + State Filing**

All state filings plus IRS-compliant print, mail, and eDelivery

**Real-Time TIN Match**

Instant IRS validation, W-9/W-8 collection, and bulk corrections.

**12+ No-Code Integrations**

QuickBooks, Xero, NetSuite, Zoho, Oracle, and SFTP/API sync.

Built for:**CPAs & Accounting Firms**

Schedule eFilings in advance across hundreds of client entities.

**Mid-Market & Enterprise**

High-volume filings with multi-user access and full audit trail.

**SMBs, Gig & Marketplace**

DIY 1099-NEC filings guided by 24/7 AI tax assistance.

1M+

Businesses filing federal and state tax forms on time.

A real-time verification, KYB, and credit-risk platform for banks, fintechs, lenders, insurers, and marketplaces. Onboard customers and vendors confidently - and monitor them year-round.

**Real-Time & Bulk TIN Match**

Instant IRS validation via dashboard or low-latency API.

**KYB, I-9 & E-Verify**

Business identity, employment eligibility, and address checks.

**OFAC, FATCA & DMF Screening**

Always-on sanctions, watchlist, and identity-fraud monitoring.

**Credit & Tax Risk Scoring**

IRS transcripts and risk models to power smarter decisions.

Built for:**Banks, Fintech & Crypto**

Automated KYB and ongoing monitoring across entire portfolios.

**Payments & Lending**

Merchant screening and faster credit approvals with fewer reviews.

**HR & Procurement Teams**

Onboard employees and vendors in minutes, not days.

75M+

Real-time verification and risk checks powered every year.

A platform to request, track, and retrieve IRS tax transcripts online. Streamlines transcript access with secure request workflows, real-time tracking, and reduced manual effort for professionals and individuals.

**Account, Return & Wage & Income Transcripts**

Access key IRS transcript types needed for tax preparation, compliance, and verification.

**Secure Online Requests**

Submit transcript requests digitally without faxing forms or manual processes.

**Real-Time Status Tracking**

Track progress of every request without repeated follow-ups.

**Bulk & Multi-User Access**

Manage multiple clients, cases, and team members from one dashboard.

Built for:**CPAs & Accounting Firms**

Quickly obtain client transcripts for accurate tax preparation and compliance.

**Mortgage & Lending Firms**

Verify borrower income and streamline loan processing workflows.

**Banks & Financial Institutions**

Access IRS data for income validation and risk assessment.

**Same-Day Access**

Get IRS tax transcripts faster, without faxing or delays.
